In view of recent correspondence re rates on less than 7 Rs paid from State Funds it is desirable that Mr Bhabha should be asked whether in the case of men paid from Village Funds, he considers an immediate increase necessary

Yes I agree to the proposal

Please see my note on the subject

I think there are some correspondence subsequent to the issue of Serial No 11 & that Mr Bhabha doubts the advisability of granting advance to the salary of Rs 7 teachers paid from State funds. If not the issue of Serial No 11 has not a limited copy of it been made in the file

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 2512/414 Encls 1 Mysore, Bangalore. 5 April 189 1900

From

H J BHABHA, Esq.,
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

With reference to your docket No 10032/1400 dated 6th March 1900, I have the honour to inform you that I consider it very necessary that teachers on Rs 5 in Village Fund Schools should be promoted to Rs 7. While the pay has been Rs 5 it has not always been possible to get fully efficient teachers, and if there are any that are found to be inefficient after they are promoted to Rs 7 they will in due course be eliminated. The principle however of raising the minimum pay of teachers whether in Village Fund or State Fund Schools from Rs 5 to 7 is perfectly sound and unexceptionable, and I strongly recommend that Government may be pleased to adopt it at their earliest convenience for the great relief of Probationary Teachers.

2 the same time I may be permitted to express my hope that Government will have not been able to improve the pay of Vernacular and Anglo-Vernacular teachers who are in receipt of more than Rs 5 monthly in conformity with the recommendations I had the honour to make after much careful thought and inquiry in my letter No 10915 dated 21st May 1898 Those recommendations were made in behalf of the teachers paid from the State Funds, as the schools at Taluk Headquarters are of greater importance than village schools and the case of teachers employed in them deserved to be considered before that of the village schoolmasters. But there is the same urgent necessity to revise and improve the scale of pay of village schoolmasters as there is in the case of the Taluk teachers The feeling of distress and disappointment among the teachers of both Village and Taluk Schools in all districts is so intense that I think it my duty to enclose herewith for the information of Government Copy of letter No 460 dated 7th March 1900 from the Deputy Inspector of Chitaldroog which however relates only to teachers in the Village Fund Schools of the Chitaldroog District What he says of the Village teachers in Chitaldroog is equally true of all teachers in every district

I have the honour to be,
Sir
Your most obedient servant,
H B Prasada
